TRINITY SUNDAY

This feast is not the time to try and explain how three goes into one! The Trinity is not something that we can understand and figure out with our reasoning, intellect or with our brain. We most certainly won't find the explanation to the Trinity by 'googling' it!

The Trinity is a mystery that we are to experience with our hearts not with our heads. It is not a puzzle or a riddle that we are expected to answer or solve. When we use the word 'mystery' to talk about and describe the Trinity, we are talking about a reality that is so endlessly rich and profound that it will never be exhausted. The more we contemplate and pray about the reality and presence of the Trinity in our lives, the more of itself will be revealed to us. Through the Trinity, God creates and loves us, Jesus liberates and saves us and the Spirit encourages and strengthens us. The Trinity is a community of love and life that we are invited to be part of and to share and in.

In the Christian tradition, when we begin our prayers, whether as individuals or a community, we do so by making the sign of the cross and calling on the power and presence of the Trinity. When we pray glory be..., we do the same.

We deliberately and consciously ask the Trinity to be part of prayer and our daily life. Perhaps on the Feast of the Trinity we could say these prayers slower and let their meaning become part of us in a more intimate and personal way.

DATE FOR YOUR DIARY – NEXT SUNDAY CORPUS CHRISTI.

This will be followed by our annual Parish Lunch to which all are invited.
